### Message from President Brian

In the 2018/2019 Rotary year PDG Ross Carlyle introduced three tenets for the District's culture in relation to all club members.

- Welcomed
- Respected
- Valued

With the influx of new members to our club these three tenets are most appropriate. All members need to greet each other and all new and prospective members in a friendly and inclusive manner. Introduce yourself to the new and prospective members and make them feel that they are joining a friendly club where they are valued and respected.

This is not just a duty of the Board but for all members and will ensure that current, new, and prospective members are retained by the club. Member retention allows all members to share the work of administration, promotion, and volunteering that keeps our club alive and moving forward.

The new members will bring new perspectives to the club, and have the opportunity to make a contribution to the ethos and direction of our club.

This I see as our club following the Rotary International President 2020-21 thriving as Rotary Opens Opportunities.

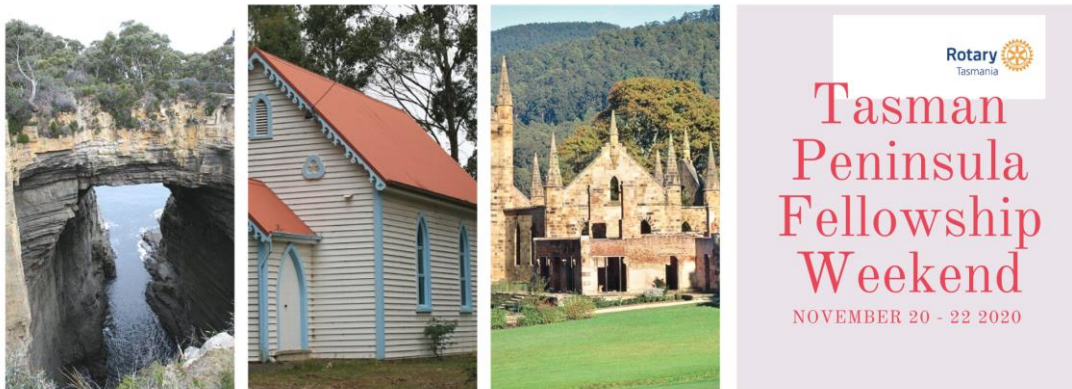

**Group 3 Forum at Brighton
