Notes from 9 February Joint Meeting with RC Brighton

On 9 February we welcomed ten members from the RC Brighton to the Black Buffalo. President Nic Muir was our guest speaker. Nic is Chef Tournant at the Hotel Grand Chancellor in Hobart and is studying to become a chef instructor at Drysdale College.

Brighton is a relatively small but active Club, focussed on inclusivity. The Club manages an eight-unit retirement village and is working on developing bus shelters around the township.

ADG Paul Fernyhough was on hand to see the Centenary Baton passed from North Hobart President Brian to Brighton President Nic.

Also of note at our meeting, we have received a \$1,000 grant from the Calvary Community Fund for the Headsets for Dementia Project.

We have also received a generous donation of furniture from Turnbull Family Funerals, which will be progressively auctioned. Our thanks to Gowans Auctions and Rotarian Derek for their roles in this.

Kids Bike Day 2021

Kids Fun Bike Day is a project of Moonah Rotary Club, and will be held at Bowen Road Primary School from 10:00 AM to 3:00 PM on Sunday 21 March. Moonah are seeking up to ten volunteers from North Hobart, and Jenny Kerrison is co-ordinating our response. Please call Jenny on 0400 769 632 if you're able to assist.

SkyHydrant Garden Party

With fund-raising options so limited, we were privileged to be invited to a garden party at the home of Chris and Jill Webster this Sunday past. All funds raised will contribute to our project to instal a SkyHydrant water filtration system for a school in Bhutan.

Ted Burton from Disaster Aid Australia was on hand to demonstrate the simple but effective system which our funds will make possible.
