### A Note from PDG Athol Corney's Daughter

I am Athol Corney's daughter, Libby. I was in Hobart last weekend, and as is my practice when I am there, I went to Princes Park to visit the tree Dad planted all those years ago.

When I was last there - pre Covid - I noticed how hard it was to read the inscription and alerted John, who suggested we contact North Hobart Rotary about its restoration.

I am writing now to thank you for being involved in its repainting. It is much clearer to read now, which is important when the point is to commemorate Rotary in Tasmania.

Thank you again, very much,

Libby Cavenagh
